Update for the Norfolk County Fair & Horse Show

June 16, 2021– We are pleased to provide an update on the status of The 2021 Norfolk County Fair & Horse Show, October 5th – 11th. The Board of Directors, in consultation with our Committee's, volunteers and staff continue working on plans that include various options and opportunities that may be available in the presentation of this year's Fair.

Be assured that the safety and well-being of our community, volunteers, exhibitors, partners and fair patrons always comes first. To achieve this, we are also working and planning with our industry partners including the Haldimand Norfolk Health Unit, Norfolk County, Ontario Association of Agricultural Societies, the Canadian Association of Fairs and Exhibitions, the Canadian Association of Amusement Operators and our suppliers.

The importance of the Fair to the people in our community resides in the heart of our efforts in 2021. So this year, more than ever, we hope for your support and patience and we will release information as it becomes available in these ever changing times.

The Norfolk County Fair & Horse show has a storied 181 years of sharing our Culture and Heritage with pride and safety. As this pandemic has evolved we are proud of the efforts in our Community and that pride will continue in everything we do in 2021.
